clean-up

We like to think of clean-up time as down time—a chance to put everything in order. Organize your Wedgwood Jasper Conran **plates** with LG's Fully-Integrated **Dishwasher**, or Kohler's Low-Profile Basin Divider kitchen **sink**. The Twin **Refrigerators** from Frigidaire put every item of food in its place, and treating yourself with sweet stuff like Casabella's **gloves** (with guards to stop water from getting inside), a flirty **apron** from Domistyle, and a nourishing **hand wash** from Dove makes worktime fly. One final sweep with the OXO **hand broom**, and it's lights out.
